Auckland Jewish Immigration
A.J.I.

NEW ZEALAND

Immigration organisation of the Auckland Hebrew Congregation

We are the Auckland Jewish Immigration (A.J.I.) organization. The A.J.I represents the principal Jewish congregation in Auckland – The Auckland Hebrew Congregation, in all matters concerning immigration. – Shalom.

We will be delighted to establish contact with you and will do our very best to advise you on the settlement process if you decide to go ahead with any emigration plans to Auckland.

The A.J.I. was formed in August 2001 and we are happy to work along side Protea Pacific as a volunteer organization made up of 12 Jewish congregant Counselors. Since our organization was established we have fielded thousands of inquires from 39 countries. We are only too aware that to make a commitment to emigrate is a major undertaking and we try to make the path as easy as possible for you.

As a volunteer organization we act as a catalyst for you to be able to make the necessary contacts, particularly in the areas of job hunting , education and housing.

As we try to run an efficient organization we need your co-operation. Because of the many inquires, please fill in the **Profile Sheet** located on the A.J.I. website's menu www.aji.org.nz. On receipt of your Profile form the A.J.I. will forward to you what we call our "FIRST LETTER" which will give you a great deal of information as well as a file number so we can keep track of the email correspondence between us.

Once you have absorbed the information on our FIRST LETTER and our web site then please come back to us with your specific questions and we will do our best to help.

Stan Rose
Chairman A.J.I.
